

STATE PLAN WAIVER REQUEST

CRITERIA	YES	NO
Does this arrangement provide Title I-B Section 103 services of the Rehabilitation Act (See Attachment #1) delivered to persons who are eligible for DVR services?		
Does this arrangement satisfy the requirements of the Rehabilitation Act (34 CFR 361.28)?		
Does this arrangement reconfigure, modify or adapt existing services to more effectively reach and deliver services to eligible VR consumers, especially those who are identified as under-served?		
Does this arrangement expand services to address an identified service gap or to achieve statewideness?		
Does this arrangement provide new services that have a vocational rehabilitation focus?		
Is this arrangement performance-based and include standards for cost-effectiveness and increased efficiency?		
For each \$3,000 used for projects, another person with a disability goes on the DVR waiting list. Does this project take a person from eligibility to employment for a similar cost?		
Are there indirect benefits that outweigh the need to serve people on the waiting list?		
Cost Per Consumer Information:
